

ASSESSING READING

Making it Meaningful! Making it Work!

This practical workshop and interactive opportunity will offer educators an opportunity to experience and to dialogue about many available literacy measures, including:

- Individual and large group reading screenings
- Standardized reading assessments for
 - Phonemic awareness
 - Decoding
 - Vocabulary
 - Comprehension
- Progress monitoring
- Models of Practicality and Models of Success
- Bridges to Multi-Tier Systems of Support (MTSS & RTI²)
